DECISION

GLUCK, Chairperson: The La Mesa-Spring Valley Teachers Association, CTA/NEA, requests that its petition for unit modification filed in November 1980 and thereafter amended on March 24, 1981, be withdrawn. On April 5, 1982, a hearing officer issued a proposed decision granting the petition. The La Mesa-Spring Valley School District thereafter filed exceptions to the proposed order, pursuant to which the Board issued its Decision No. 316 remanding the proceedings to the director of representation.

No objections having been filed to petitioner's withdrawal request, the Board approves the request and ORDERS that the

hearing officer's proposed decision, dated April 5, 1982, and its own Decision No. 316, dated May 31, 1983, be VACATED in their entirety.

Members Tovar and Jaeger joined in this Decision.
